To,

Sub: Working Science Model & Teaching Aid Demonstration Contest cum Exhibition during Orange City Science Fair-2018

Dear Member,

You may perhaps be aware that this Centre is engaged in organizing various scientific activities for the school students, like previous years the centre is organising **Orange City Science Fair** during 19 – 21 December 2018.

This year also the event is being organised in collaboration with Aeronautical Society of India. Details of the programs are given in attached sheet. This includes mainly **Working Science Model Exhibition cum Contest** for High School students and **Teaching Aid Demonstration Contest** for in-service teachers. Other activities include **Written Science Quiz, Poster Making, Science Demonstration Lecture, Meet The Experts programme and Open House Quest** etc.

If you are interested to participate in the activities organised during the fair, register your name for the activities or competitions. Please note that last date of submission of the entry is 15.12.2018. The pro-forma for registration is available on website of the centre or in the office of the centre. You may submit your entries either through submission of pro-forma duly filled in or mail to rscnagpur.education@gmail.com or by fax to 07122735800.

You are also invited to visit the Working Science Model & Teaching Aid Exhibition. The exhibition will be displayed outside the building. The Entry to this exhibition will be free however normal entry fee shall be applicable for the other shows of Raman Science Centre.

Thanking you in anticipation.

Yours faithfully,

(N. Ramdas Iyer)

Project Co-ordinator
